Background of the share issuance

On June 15, 2022, the Management Board of the Company resolved, based on the authorization of the Management Board under the Authorized Capital / VII (Sec. 4 para. 8 of the articles of association), to increase the share capital from EUR 251,126,875.00 by EUR 120,063.00 to EUR 251,246,938.00 out of authorized capital (*Kapitalerhöhung aus genehmigtem Kapital*) (the “**RSU Capital Increase**”) through the issuance of 120,063 new registered ordinary shares (*auf den Namen lautende Stammaktien*) (“**New Shares**”). The Supervisory Board of the Company gave its consent to the RSU Capital Increase on June 15, 2022.

Pursuant to Sec. 4 para. (8) (v) of the Articles of Association the Management Board is authorized, with the approval of the Supervisory Board, under the exclusion of shareholders’ subscription rights in the event of a capital increase within the scope of the Authorized Capital / VII, to increase the share capital of the Company in order to issue up to 2,727,046 new shares as part of a long-term incentive program to members of the Management Board and employees of the Company and to members of the management bodies and employees of companies affiliated with the Company within the meaning of Sections 15 et seq. AktG.

The Company has approved and established a Long-Term Incentive Program in 2017, which commenced in May 2018 and was amended and restated in October 2019 (the “**LTIP**”). The LTIP comprises, *inter alia*, a restricted stocks plan under which restricted stock units (“**RSU**” or “**RSUs**”) can be granted to the members of the management board (*Vorstand*) of the Company and to certain key employees of the Company, as well as to members of managing corporate bodies and certain key employees of subsidiaries of the Company. One RSU entitles to the transfer of one no-par-value registered share (*auf den Namen lautende Stückaktie*) of the Company or, at the choice of the Company, to a payment of an amount equal to the market value of such share.

The Company has awarded and granted a certain number of RSUs to certain employees of the Company as well as to members of managing corporate bodies and certain employees of subsidiaries of the Company, who participate in the LTIP (each a “**Participant**” and together the “**Participants**”) pursuant to an award agreement and a corresponding grant letter that were now (partly) due for settlement.

The Company settled a certain number of vested RSUs under the LTIP in the form of shares in the Company in June 2022 and issued the New Shares to the Participants (the “**RSU Settlement**”). In the course of the RSU Capital Increase, each respective Participant contributed her/his respective contribution claim (i.e. the claim of the respective Participant against the Company resulting from RSUs for delivery of a certain number of shares in the Company) to the Company.

The New Shares are subscribed by and issued to the Participants as instructed by them, *i.e.* to the relevant Participant’s deposit account or to a joint deposit account managed in trust by a service provider, which has been mandated by the Company for the execution of the RSU settlement.

Admission without a prospectus of 120,063 New Shares pursuant to the exemption in Art. 1 para. 5 (h) of the Prospectus Regulation

This document only relates to the 120,063 New Shares which will be transferred to Participants in connection with RSU Settlement in June 2022. In this regard, 120,063 new shares will be issued and subscribed by the respective Participant at an issuance price (*Ausgabebetrag*) of EUR 1.00 per share (minimum issuance price, Sec. 9 para. 1 AktG (*Aktiengesetz*)). The New Shares shall be fully entitled to profits as of January 1, 2022.

The Company has applied to the Frankfurt Stock Exchange for the admission of all New Shares to trading on the regulated market segment (*regulierter Markt*) of the Frankfurt Stock Exchange (*Frankfurter Wertpapierbörse*) with simultaneous admission to the *Prime Standard* without a prospectus, in accordance with Art. 1 para. 5 (h) of the Prospectus Regulation.

Additional information on the New Shares

All New Shares hold the same rights as all other shares of the Company (including full dividend rights from the fiscal year starting January 1, 2021) and do not convey any additional rights or advantages. The consummation of the RSU Capital Increase has been registered in the commercial register of the Local Court (*Amtsgericht*) of Charlottenburg on June 24, 2022.

The admission of the New Shares to trading on the regulated market segment (*regulierter Markt*) of the Frankfurt Stock Exchange (*Frankfurter Wertpapierbörse*) with simultaneous admission to the *Prime Standard* without a prospectus is expected to be granted on or around July 1, 2022. The introduction of the new shares to trading on the regulated market (*regulierten Markt*) is expected on or around July 5, 2022.
